10 December 2006

Dear Sir

I suggest that waiting for instructions from Councillors attending meetings would be an inefficient use of a town clerk's time! (Mailbag, 8 December)

Fortunately there are situations when clerks are authorised, explicitly or implicitly, to act on the Council's behalf, such as responding to adverse media coverage. In doing so clerks take care to ensure they accurately reflect Council policy and objectively interpret the 'will of Council'.

Yours faithfully

Richard Farhall
Town Clerk
