LETTER TO ALL MEMBERS OF RYE TOWN COUNCIL

BY EMAIL ONLY

Dear Councillor

**Sainsbury's, Rye**

I write to provide you with a perspective drawing of the store, as promised in the briefing note sent to you on Thursday 10 March.

The perspective is of the front of the store and shows the store entrance along with the colleague area behind. Hopefully the perspective, along with the sketch of the view from the Citadel which we included with our briefing, will provide you with an indication of how the articulated roofline would complement the roofscape of Rye.

The perspective indicates the palette of materials, mainly brick complemented by timber, which have been chosen for the store. We believe these materials reflect materials used elsewhere within Rye and will help make a positive contribution to the surroundings.

We have now posted the perspective drawing on our project website ([www.sainsburys-rye.co.uk](http://www.sainsburys-rye.co.uk)), along with the planning application documents.

We hope you find this email and enclosure helpful. However, should you have any queries regarding the image or require any further information on our proposals please do not hesitate to contact me or my colleague Gerald Knight on 0845 602 1151 or by email at [a.weaver@gka.co.uk](mailto:a.weaver@gka.co.uk).

Yours faithfully
