Hi Richard,

There does not seem to be an opportunity for RTC to discuss this before 14<sup>th</sup> June. But could the topic go on the agenda for 21<sup>st</sup> June Council so that we could hopefully send an encouraging message to Rother?

Regards, David

Dear Councillors

Please be aware of the following consultation exercise in your area; [www.rother.gov.uk/kingsavenue](http://www.rother.gov.uk/kingsavenue)

Residents of Kings Avenue and New Road who back on to the green space at Kings Avenue are being asked whether they would support an initiative to enhance the green space and play area. Letters have been sent to the residents requesting that they complete a form giving them an opportunity state what they would like to see provided should the project go ahead and what concerns, if any, they might have. If the outcome of the consultation exercise is positive we will be developing plans for implementation this financial year. This first phase of consultation ends on Monday 14th June.

If you have any queries about the project, please do not hesitate to contact me.

Regards

Rebecca Owen
