Subject: Parish and Town Council Meeting

Dear Parish and Town Clerk

As in previous years we will be holding our annual Parish and Town meeting for Parish and Town Councils to meet with and hear about East Sussex County Council's work in Transport and Environment. It is usually a well attended day and provides an opportunity to meet some of my team, hear about current issues and participate in shaping work such as our Local Transport Plan.

We will be holding this year's event at the Uckfield Civic Centre on 23 July. It will be an all day event.

Topics for the day include Winter Maintenance, Waste and Waste Core Strategy progress, Rights of Way and Climate Change. There will also be some interactive work on our Local Transport Plan development and Community Transport. We will also be holding a "speed dating" session with my staff so you can all get round to various topic leads to talk about detail within your towns and parishes. This proved very successful for our County members following the local elections last year.

The purpose of this e-mail is to give you early notice of the day. I'm afraid I will need to limit numbers to no more than two representatives from your Council

A finalised agenda will be circulated 6 weeks prior to the meeting, in the meantime I wanted to ensure you had early notice to get the date into your diaries.

Please let Pippa Ellis know if you would like to attend :-
