Dear Sir,

Thank you for your letter dated 3rd April. It is our intention to seek planning permission for flats on the site, We have spoken and had meetings with the rother council and shown them drawings of what we would like to see on the site, All with in the keeping of Rye, We wanted to demolish the old houses last year, But the council wouldnt let us. We have been told that we will have to submit a full planning permission before we would be allowed to demolish, their worry was that if we demolished we would reduce the weight in front of the slip and possibly cause it to slide, it wasnt our intention to take the materials of site, but to demolish and leave tidy on site untill the plans were approved, and leave a wooden fence along the front. We would welcome any in put into this project, If you would like to see the drawings please give me a ring or e-mail. Our Tele No John, 07714480088 mobile. 01-304-825526 office, Have a nice week end kind regards john huggins.
