To The Chief Planning Officer,  
Rother District Council,

Dear Sir,

Reference Planning Application RR/2010 / 2265/P

appertaining to the property of 123 Udimore Road Rye, I have studied the plans for the proposed two storey side extension to the above property and find it unacceptable on the grounds that it will bring the building to close to 121 Udimore Road, the boundary will be 1 metre 45cms from my external wall and the height of the building will block out the light to the passage way at the side of 121 Udimore Road. To my mind this extenaion will alter the character of the front of my propery by the height and the closeness to my boundary. Please accept this letter as an objection to the proposed extension to 123 Udimore Road,

Yours sincerely,

Maurice L Blackman.
