Subject: Hippo grit bags.
Richard,

ESCC have offered and RDC has accepted the provision of large hippo bags of salt at key locations in the main towns. This grit would then be used on the highway by either local traders in the form of self help or by RDC contract staff subject to availability.

Having discussed this "generous offer" with ESCC Highways it appears we will be allowed two bags for Bexhill and one each for Rye and Battle. It is understood that the bag will be replaced with new supplies should the bad weather persist. Empty bags will need to be removed from the Highway by RDC or its contractors.

I need to make the final arrangements with ESCC, can you please nominate where you would like the one jumbo bag to be located in Rye.
