Subject: Planning White Paper - Consultation

Dear Clerk

On 21st May Ruth Kelly, Secretary of State, Department of Communities and Local Government presented the Planning White Paper to Parliament. The paper is called 'Planning for a Sustainable Future' and we are now in the consultation period which ends on 17th August; the Government seeks the views of towns and parish councils.

The White Paper itself can be downloaded from the DCLG website, as can the 23 page summary. The attached consultation paper of 24 pages can only be opened in Acrobat format or downloaded from the DCLG website.

Also attached is a summary presentation in power point that I have provided for the SALC / SCAPTC Executive Committees which you may find helpful to look at first as it covers the key points.

Please let Jacqui or I know if you require any additional information.

Regards

Trevor
